Injection Pumps

WEBAC® Piston Pumps

Operation

For the operation of the injection pump, see the pump manual.

Cleaning

- Clean the injection pump with **WEBAC® Cleaner A**
- Observe the technical data sheets of the cleaner used
- Refer to the operating manual of the injection pump for detailed information

Storage

- Always store the injection pump in an upright position
- Fill the cleaned pump system with (water-free) hydraulic oil in case of long non-operating periods
